## Hotel Information

We have made arrangements for special rates at our host hotel - Carriage House Inn - using code "CANA". These rates are only available until Aug 27, 2017. After that we cannot guarantee the discounted rate. It is important that you book your room as soon as possible because we have limited rooms available and we are close to being sold out.

This hotel is very conveniently located with a busy area of shops and restaurants and between the 2 major shopping malls in Calgary with the light rail transit system only 10 minutes away. You can find out more about the hotel and surrounding area by visiting our [website](#).

## Time To LOL

We have secured an absolutely hilarious comedian for our convention. You can expect to laugh hard, often and out loud ... really loud. She has performed at some many places over the years including many performances on TV shows. Lori Ferguson Ford has incredible facial expressions to compliment the side splitting jokes. Be sure to get your tickets in advance because there is limited seating available. Pick up tickets on our [website](#) now.
