Lethbridge phone line

A personal phone number we think has been attached to an NA phone line. We were to come back with confirmation on this information and so this needs to be investigated further

Tabled until next month

Reaffirmed that we will not have an ASC convention because of the CCNA

Standardization of questions for nominees is being worked on in the PnP Ad-Hoc Committee.

ASC workshops

Discussion about time necessity and location.

We may not need one every area meeting just when requested or required.

Proposal

Activities to bring back ideas next month on what the activities could possibly do.

To groups – what would generate more interest in service? – would workshops help generate interest in service?
