NA Website and App Functionality

- Tim to bring back more information to next ASC

H&I P&P

- Vote needed from groups, Approved

H&I Discussion about a Remand center and what to do about a member entering the facility

- Member entering without our H&I support, it is H&I because members cannot go to outside meetings, Let them know they are not supported by our fellowship, support him coming in and carry a message, bring an H&I member to report back, conflict with 2 fellowships, already hard pressed for members filling positions, speak to him more and invite him out for a coffee, make contact to the center, call to member made that we are not in support and going to make a call to remand.

Discuss changing our P&P to employ an annual general meeting that would include elections for all positions at ASC table, that would allow all members of Chinook NA to vote.

- Held once a year and it would hold all elections at the same time, each person would start and end at the same time, even if they resign half way through. Les speak to it, reason being certain amount of efficiency and building interest and excitement that the positions will be open.
Tabled till next ASC

Concerns for literature Pickup from more will be revealed group

- Concern about being a treatment center, members have been kicked out, not just a workplace, 4 members available to do drop offs at nooner now or other meetings, Low support from meetings, 2 groups support out of 11, No longer selling out of a workplace

Spring into service workshop about \$260 requested from Area

- Approved by GSR

GSR Workshop before ASC

- Every 3 months, Lots of support from members., Orientations would be for new GSR's on how to be a GSR, Starting February 26 at 6pm at first Baptist church before ASC.
